Principal’s Message

Remembrance Day—Today, Bevan Smith and Amberlee Clark led the school’s Remembrance Day dedication. This day remembers those who died as a result of war—particularly from World War 1 onwards.

Mrs Wastell is joining us for 2 weeks to release teachers for the school’s major accountabilities for 2015—the Annual School Report, School Assessments and Reporting and evaluations of our School Plan.

Our major Strategic Directions are:

1. Effective Communication -
   - Student to student
   - Teacher to teacher
   - Student to staff
   - Between schools
   - Staff to parents
   - School to Department
   - School to parent

2. Confident, resourceful and reflective learners -
   - Between staff
   - Student to student
   - Teacher to student
   - Between other schools

3. Innovative, challenging and inclusive teacher -
   - Between teacher and curriculum
   - Within school programs.

I have included a page for parents to add any personal responses, opinions or observations about how we are going towards achieving these goals. Responses are confidential and add to our perceptions of the successes or areas we need to further develop.

Mitchell Library (the State Library in Sydney) —S2&3 have been included in a Learning Program delivered by the Mitchell Library to take place at Old Bar Public School on Wednesday 25th November from 12.30 to 2pm (for students in Y3, Y4, Y5 and Y6). The program will be linked to the story of Our Nation and will showcase some ‘National Treasures. Travel is by private transport. Students need to leave our school at 12.00 noon. A permission note has been sent home today.
