Principal’s Message

Condolences—as a school community I would like to pass on our condolences to Pam White and her family, and to Shane O’Connor and his family for their recent losses. Both of these families have lost gentlemen who will be greatly missed.

School Movie—I am attaching a permission note for parents and carers for children to appear in a short 5 minute movie the school will be filming around our teaching of curriculum. This will be attached to our Webpage to showcase our method of implementing Quality Teaching to multi-stage classrooms. We must complete this ‘movie’ this month, so I ask parents/carers to return notes as soon as possible.

New Doorway—work will soon be starting on a new entry to our staffroom on the ‘path’ side. This will take out the dangerous ‘doorway on the steps’ entry. The school bell will be relocated nearer to the flag pole.

Hair Treatment—parents are reminded that head lice are beginning their active phase. Please check heads carefully and treat with appropriate shampoo. Don’t forget to follow-up in 7 days to complete the treatment.

MIPS Perpetual Trophies—could all families please check for school trophies and return perpetuels to the school.

Raffle—our P&C is again holding a raffle which will be drawn on Presentation Night. Tickets are going home today. Tickets are $1 each or 6 for $5

- Prizes - 3 x $50 vouchers
- Christmas ham, Christmas cake
- Plus other prizes.
