Summer Reading Club Launching Soon!

With Christmas holidays just around the corner it will be time for the kids to register for this year’s Summer Reading Club. This is a national program for young people from 5-16 years which promotes literacy development and keeps kids reading throughout the summer holidays. To get involved simply register online through the Summer Reading Club website, pick up your reading log and pack of goodies from the library and start reading—it’s that simple! To top it off read 10 or more books and receive an invitation to an exclusive Summer Reading Club pizza and movie party at the Manning Entertain Centre.

The theme is ‘Lost Worlds’ and once again there will be lots of activities and competitions in your library and on the Summer Reading Club website.

Join us at Taree, Wingham, Hallidays Point and Harrington Libraries for a special Summer Reading Club launch afternoon tea on Wednesday 2 December. Phone 6592 5290 or email library.events@gtcc.nsw.gov.au for more information.
