Principal’s Message

Today sees Bevan, Aston and Kye head to the Zone Winter Trials for football, we wish them luck.

Next Tuesday 24th March I attend a half day meeting around the new Performance and Development Framework which supports the ongoing improvement of student outcomes through continuous development of a skilled, effective and professional workforce.

Next Thursday 26th March our PP5 relay swim team travel to Sydney. This is also our small schools’ cross country event at Coopernook. Our swimmers of Bevan, Marcus, Kaiden and Jamie will have their times submitted for the cross country and a decision will be made around Zone entry after the times for the races are known.

Cross country runners are asked to all be at Coopernook School by 8.50am ready to walk the course (a necessary warm-up). Mosquito repellent will be necessary for both runners and spectators.

Y3 and Y5 will begin lessons today around Naplan. The purpose will be to take away any fear they have about the procedures, and to familiarise them with the test expectations and layout. These lessons will continue until the week prior to testing on the 12th, 13th and 14th May.

All students enjoyed Healthy Harold’s presentations last Monday. Every student has a booklet covering the program. A huge thank you to the P&C for paying for our students to attend.

Canteen news—there will be NO CANTOEN next Thursday 26th March due to state swimming and the cross country at Coopernook.

Awards—Lakita, James, Merrick, Tristan, David, Michael, Lydia, Marcus, Aston, Will, Jaiden, Bevan, Jamie, Kaiden, Kye, Amberlee, Charlotte, Natalia, Aston and Tannor.
REPORTER OF THE WEEK -

Hi I’m Beau Stubbs, this week’s reporter.

On Monday, Healthy Harold came to Mitchells Island Public School. We learnt about our bodies and everything in them. The first people in the van was Stage 1 and Early Stage 1 before recess. After recess it was Stage 2 and Year 5 until lunch. After lunch Year 6 went in the van until home time. We got to meet Healthy Harold at the end. I think the Healthy Harold van is a great way to teach us kids about looking after our bodies.

REPORTER OF THE WEEK -

Hi I’m Hamish Jones, this week’s reporter.

This is my first year at MIPS. I am in Year One. My favourite thing is to play with monster trucks. Monster Energy is a black and green monster truck. It can do backflips. I have more than 15 monster trucks. At home I have 2 guinea pigs and 2 cats. Jaye, my sister, has to feed the cats and I have to pick fresh green grass for the guinea pigs. My guinea pig is brown, white and a really light brown. It likes to bite my toes. Jaye’s cat is Pancake and my cat is Muffy. They play together outside.
