Principal’s Message

Performance Night—I was so proud of our Student Performance Night. All the performances showed the children’s joy in presenting their plays and performances to their families and community. I hope you, as the audience enjoyed the night. Thank you for the shared plates, there was a wide choice of food to share.

Swimming begins next Monday. Parents are reminded:

- Full school uniform
- Packed fruit break (to be eaten at school), recess and lunch (to be eaten at the pool)
- Swimmers are to be worn under the uniform in the morning
- Plastic bag to carry underwear and towel, and will return with wet swimmers and towel.

10am leave school
11am to noon recess then lesson 1
12.15 to 1pm lesson 2 then change
1.30pm bus returns

The students will be grouped according to their skills and will work very hard throughout the week. They will be tired. They may be extra hungry in the morning. No students remain at school throughout this week.

Library Stocktake—Mrs Brown will begin her annual stocktake in the library during swimming week. Parents and students are asked to check their house for reading books belonging to the school and return them a.s.a.p.

Term end—as this will be the final newsletter for T3, the staff wish you a healthy holiday. We are all looking forward to a sniff, sneeze and cough free Term 4.
